

Avon HGPG Club Committee Meeting

10th March 2016

Compass Inn, Tormarton

- A Vintage Hang Gliding event will take place on 10/11th September and the club has given permission that they could use Avon sites
- The club has looked into whether Avon sites could be used for a BCC competition round. It was agreed that Mere (RR, Spencer's Coward's) and Selsley could be used, but no other sites i.e. **not** Frocester or Westbury
- Mike Humphries will be coordinating a club 'Casual' XC League for those who do not want to post their flights on the National XC League
- The club is looking into whether it will host a 'bash' this year and if it could be combined with the BCC end of competition party in September (which is a free-flying week-end and not a competition)
- The club Manual (by which the Committee operate) is being reviewed and will be updated
- Both the LATS and Avon BCC Telegram groups will be made Avon Club members only and there will be links provided from the website
- The club coach pages on the website are to be updated

Rob Kingston
Secretary
